

## ADR Subscription Agreement – Terms and Conditions

By participating in the Automatic Delivery Rewards (ADR) Subscription program (“**ADR Subscription Program**”<sup>1</sup>), you fully agree to and commit to abide by the terms and conditions set forth below.

This ADR Subscription Agreement is between you, as ADR Subscription customer, (“you” or “your”) and Nu Skin Enterprises S.R.L., Bucharest, District 1, Buzesti Street, 11<sup>th</sup> Floor, module 7, Romania, VAT RO 18119706 (“Company”).

**You hereby agree as follows:**

### **1. ADR Subscription Program**

The ADR Subscription Program is an optional subscription Program that allows you to place a standing order with the Company that will be shipped to you and charged to your credit card, debit card or bank account on a recurring monthly basis, unless you have selected the option of bi-monthly shipments<sup>2</sup>. No minimum product purchases are required to participate in the ADR Subscription Program. However, in order to gain from the benefits listed under the present Terms and Conditions, a minimum 50 SV volume is required for the ADR subscription order every month when it is processed.

### **2. ADR Subscription benefit and product points**

#### **2.1 Benefits**

2.1.1 Main principles. As detailed further in this section 2.1, products points are calculated based on Sales Volume, to which a 10% to 30% rate will be applied. Sales Volumes (“SV”) is a point system used to compare the relative value of Products with each Product being assigned a specific amount of points of SV. The corresponding SV for each Product is marked on the specific product page on your local Nu Skin website (for Brand Affiliates and Members) and in the Pricelist (for Customers, Brand Affiliates and Members) available on your local Nu Skin website. Product points (SV multiplied with the applicable 10%, 20% or 30% rate as outlined in 2.1.2. below) will be awarded in the calendar month following the calendar month during which they are earned. Such products points can be redeemed for any product, subject to the reservations and exceptions listed in the present Terms and Conditions, that has less or equal value in SV. The difference between the SV and your available product points will be kept on your ADR Subscription account with the Company and will accumulate with any additional product points earned (until redeemed for products), under the conditions set out in these Terms and Conditions.

2.1.2 If your (bi-) monthly ADR Subscription order totals or is greater than 50 SV after discount, you will be entitled to product points that may be redeemed for additional products in the country they were earned.

2.1.2.1 For a monthly ADR Subscription (i.e. occurring every month), product points vary and are earned at a rate of 20% to 30% of the ADR Subscription SV order value. For a monthly ADR Subscription, you will gain 20% of the ADR Subscription SV order value for the first twelve (12) months of your ADR Subscription or 30% as from the thirteenth (13th) month of your ADR Subscription.

2.1.2.2 For a bimonthly ADR Subscription (i.e. occurring every two months), the product points are earned at a rate of 10% of the ADR Subscription SV order value, regardless of the number of processing months.

---

<sup>1</sup> The term “ADR Subscription” may be referred to as “Automatic Delivery Rewards Program” or “ADR Program” in the applicable contractual documentation, including the Policies and Procedures and your Brand Affiliate Agreement.

<sup>2</sup> Bi-monthly shipment is defined as a shipping occurring every two months.

- 2.1.3 Certain products do not earn product points, unless expressly stated otherwise, including but not limited to:
- 2.1.3.1 products which are marked as such on your local Nu Skin website or in the Pricelist;
  - 2.1.3.2 products which are not fully priced items, including but not limited to kits, packages (with the exception of ADR Subscription packages when applicable), promotional items and discounted items;
  - 2.1.3.3 branded items.
- 2.1.4 In addition, certain products are not redeemable with products points, unless expressly stated otherwise, including but not limited to:
- 2.1.4.1 products which are marked as such on your local Nu Skin website or in the Pricelist;
  - 2.1.4.2 products which are not fully priced items, including but not limited to kits, packages, promotional items, discounted items and product items under ADR Subscription pricing (e.g. Beauty Focus Collagen+ with ADR Subscription pricing);
  - 2.1.4.3 branded items.
- 2.1.5 Vouchers are not redeemable for ADR Subscription orders, unless stated otherwise at the issuance of a voucher.
- 2.1.6 Newly launched products earn product points from the date those are available for purchase in the applicable market. However, newly launched products cannot be redeemed with product points for the first three (3) months starting from the date of their launch; newly launched products will be available for redemption as from the fourth (4th) month onwards.
- 2.1.7 You may earn no more than 75 product points per month per market and no more than 900 product points per year per market.
- 2.1.8 Product points can only be redeemed for products based on the single product SV (ADR Subscription pricing excluded). When redeeming product points for products, you may refer to the single pricing (ADR Subscription pricing excluded), and you can associate one product point with one SV. Illustration:

1 Product Included in the ADR Subscription in the month when it ships	SV	Product points earned		Product points available for redemption (from next month on):	Product choice from single pricing based on SV

## 2.2 Deletion and/or cancellation
