

HERE YOU GLOW EXFOLIATING TONER

Your skin has a mind of its own. But now you can make it resilient to what life throws at you with a bioadaptive skin care system that helps your skin adapt to environmental stressors like late nights and pollution and protects against UV—for better, balanced skin every single day. It's so intuitive; it knows what your skin needs before you do. And with clean formulas, you can feel confident about what you're putting on your skin. Make every day a great skin day.

MEET HERE YOU GLOW

Get glowing, clearer skin with Nutricentials Here You Glow—a toner that does more than just tone. This thoughtfully balanced formula with a unique mix of Hydroxy Acids leaves your skin feeling soft, smooth, healthy, and visibly glowing. At the same time, Salicylic Acid helps clear up acne blemishes and blackheads and prevent new acne blemishes from forming. Your skin is left looking clean, clear, and radiant.

WHY YOU'LL LOVE IT

- Made with bioadaptive botanicals that help your skin adapt to its environment.
- A clean formula with worry-free ingredients you can feel good about putting on your skin.
- Features a gentle, non-irritating formula with an effective 10% blend of AHAs, BHA, and PHA to leave skin visibly soft, smooth, and glowing.
- Helps accelerate cell turnover by gently exfoliating and “ungluing” dead skin cells from the surface of skin, leaving you with a fresh, soft, smooth, radiant appearance.
- Unclogs pore-blocking dirt and oil and visibly reduces pores.
- Helps clear up acne blemishes and blackheads while helping to prevent new breakouts for clearer, cleaner skin.
- Hydrates and attracts and bonds moisture to the skin for a more supple, healthy appearance.
- Prepares skin for additional products like treatments and moisturizers.
- Features a bottle that is proudly made from 100% post-consumer resin (PCR).

WHAT POWERS IT

- **Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)**—a blend of botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.
- **AHAs (Lactic Acid, Glycolic Acid, and Malic Acid)**—accelerate skin cell turnover by “ungluing” dead skin cells from the surface of skin, leaving you with fresh, smooth, even skin, visibly reduced pores, and a healthy glow.
- **BHA (Salicylic Acid)**—penetrates deeply into pores to clean and dissolve pore-blocking dirt, oil, and debris.
- **PHA (Gluconolactone)**—a gentle acid exfoliator that helps hydrate and condition skin as it promotes healthy cell turnover.
- **Hydrating and Soothing Blend (Glycerin and Aloe)**—attracts and binds moisture to the skin for a more supple, hydrated, soothing after-feel.

TARGET AUDIENCE:

Nutricentials Bioadaptive Skin Care is recommended for 18 years old and above who are exposed to environmental stressors like late nights, pollution and UV rays.

HOW TO USE IT

Saturate a cotton pad with Here You Glow and sweep it over clean face and neck in an upward, outward motion, avoiding the eye area. Do not rinse.

HERE YOU GLOW EXFOLIATING TONER

TRY THESE WITH IT

- **Nutricentials To Be Clear Pure Cleansing Gel**—gentle gel-to-foam formula cleanses away dirt, oil, and makeup without stripping your skin of its natural moisture.
- **Nutricentials Day Dream Protective Lotion SPF 35**—lightweight moisturization that helps your skin stay soft and hydrated no matter what life throws at you.
- **Nutricentials Celltrex Always Right Recovery Fluid**—lightweight, fast-absorbing serum featuring a smart HydraFlex Blend that provides more or less hydration depending on what your skin needs throughout the day.

LEARN MORE ABOUT IT

What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties. When used on the skin, the special properties of these botanicals help your skin adapt to its changing and unique environment so that it can recover from—and gain resiliency to environmental stressors.

What skin types should use Here You Glow?

Here You Glow is formulated to be suitable for all skin types.

How often should I use Here You Glow?

Here You Glow can be used up to twice per day, with your morning and/or evening skin care routine. When used with your morning routine, please be sure to follow-up with a broad-spectrum sunscreen rated SPF 30 or greater, like Day Dream Protective Lotion SPF 35.

Do I need to use SPF with Here You Glow?

While it's always recommended to protect your skin from harmful UV rays, using AHAs can make your skin more sensitive to the sun. Please use a broad-spectrum sunscreen rated SPF 30 or higher while using this product.

How does Here You Glow support Nu Skin's commitment to become more sustainable?

We have proudly replaced Here You Glow's tube with one made from 100% PCR (post-consumer resin). In doing so, we will prevent approximately 5 tons of virgin plastic from being produced annually.*

Other Nutricentials product bottles are also made from 100% PCR, and our tubes are made with 34-35% PCR for a combined savings of 57.5 tons of virgin plastic from being produced annually.* Plus, more than 90% of our palm ingredients are Roundtable on Sustainable Palm Oil (RSPO) sourced. You can further our sustainability efforts by recycling our packaging bottles, jars and cartons where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us. Please visit www.nuskin.com/sustainability for more information.

*Based on 2021 global forecasts.

What is Nutricentials' commitment to being transparent and sustainable?

With our commitment to transparency, sustainability, and using only the best of science and nature, we bring you clean formulas based on our Nutricentials ingredient list—all in sustainable packaging. So you can feel confident in your natural glow and in your skin care. Nutricentials Bioadaptive Skin Care is responsibly produced skin care for the environmentally conscious consumers.
