

THIRST FIX HYDRATING GEL CREAM

Your skin has a mind of its own. But now you can make it resilient to what life throws at you with a bioadaptive skin care system that helps your skin adapt to environmental stressors like late nights and pollution and protects against UV—for better, balanced skin every single day. It's so intuitive; it knows what your skin needs before you do. And with clean formulas, you can feel confident about what you're putting on your skin. Make every day a great skin day.

MEET THIRST FIX

Experience a burst of weightless moisture for smoother skin and a healthy glow with every application. This oil-free gel cream features a blend of bioadaptive botanicals that works to help protect against, and increase resiliency to, environmental stressors. At the same time, a unique Biomimetic Moisturizing Complex mimics natural elements in your skin to provide long-lasting hydration. Plus, botanical Cats Whisker extract helps soothe the skin and balance excess sebum caused by stress to deliver a healthy—not shiny—glow. Nutricentials Thirst Fix provides a cooling feel and refreshes while delivering rapid, ultra-lightweight hydration perfect for thirsty skin.

WHY YOU'LL LOVE IT

- Made with bioadaptive botanicals that help your skin adapt to its environment.
- A clean formula with worry-free ingredients you can feel good about putting on your skin.
- Provides hydration and 24 hours of continuous moisturization.
- Helps rapidly hydrate and refresh skin.
- Helps skin attract and capture water so that it keeps its necessary moisture.
- Helps soothe the skin and balance excess sebum caused by fatigue, stress, and pollution.
- Helps protect against, and increase resiliency to, the damaging effects of stress, pollution, and free radicals.

WHAT POWERS IT

- Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection

Plant)—a blend of botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.

- **Biomimetic Moisturizing Complex**—a blend of sugars and moisturizers naturally found in the skin that help attract and capture water for improved skin barrier function and fast, long-lasting hydration.
- **Cats Whisker**—a botanical extract that helps soothe the skin and balance excess sebum caused by fatigue, stress, and pollution.

CLINICALS THAT PROVE IT

In a third-party study, after a single application, subjects experienced:

+173% hydration post-application*

+104% hydration after 12 hours

And continuous hydration for a full 24 hours.

TARGET AUDIENCE:

Nutricentials Bioadaptive Skin Care is recommended for 18 years old and above who are exposed to environmental stressors like late nights, pollution and UV rays.

HOW TO USE IT

Apply a generous amount to clean, dry face and neck on your evening routine.

TRY THESE WITH IT

- **Nutricentials To Be Clear Pure Cleansing Gel**—gentle gel-to-foam formula cleanses away dirt, oil, and makeup without stripping your skin of its natural moisture.

*Hydration was measured 15 minutes post-application using a Corneometer.

THIRST FIX HYDRATING GEL CREAM

- **Nutricentials Here You Glow Exfoliating Toner**—thoughtfully balanced formula with a unique mix of Hydroxy Acids leaves your skin feeling soft, smooth, healthy, and visibly glowing.
- **Nutricentials Celltrex Always Right Recovery Fluid**—lightweight, fast-absorbing serum featuring a smart HydraFlex Blend that provides more or less hydration depending on what your skin needs throughout the day.

LEARN MORE ABOUT IT

What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties. When used on the skin, the special properties of these botanicals help your skin adapt to its changing and unique environment so that it can recover from—and gain resiliency to environmental stressors.

What skin types should use Nutricentials Thirst Fix Hydrating Gel Cream?

Nutricentials Thirst Fix Hydrating Gel Cream is formulated to be suitable for any skin type. This is a perfect option for those who love a thin, lightweight moisturizer.

Can I use Nutricentials Thirst Fix Hydrating Gel Cream morning and night?

Nutricentials Thirst Fix Hydrating Gel Cream fits perfectly into your morning and nighttime skin care routine. This gel cream provides weightless hydration and helps your skin adapt to daily stressors. For daytime UV protection, add a sunscreen product like Nutricentials Day Dream Protective Lotion SPF 35.

How does Nutricentials Thirst Fix Hydrating Gel Cream support Nu Skin's commitment to become more sustainable?

We are proud to say that Nutricentials Thirst Fix Hydrating Gel Cream's bottle is recyclable.

Other Nutricentials product bottles are also made from 100% PCR, and our tubes are made with 34-35% PCR for a combined savings of 57.5 tons of virgin plastic from being produced annually.* Plus, more than 90% of our palm ingredients are Roundtable on Sustainable Palm Oil (RSPO) sourced. You can further our sustainability efforts by recycling our packaging bottles, jars and cartons where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us. Please visit www.nuskin.com/sustainability for more information.

*Based on 2021 global forecasts.

What is Nutricentials' commitment to being transparent and sustainable?

With our commitment to transparency, sustainability, and using only the best of science and nature, we bring you clean formulas based on our Nutricentials ingredient list—all in sustainable packaging. So you can feel confident in your natural glow and in your skin care. Nutricentials Bioadaptive Skin Care is responsibly produced skin care for the environmentally conscious consumers.
