TRAINERS' PROFILE

LEE THOONG
PRODUCT TRAINER, PHARMANEX

Lee Thoong graduated with a Bachelor of Science (Hons) in Food Science and Nutrition. She is currently a registered member of the Singapore Nutrition and Dietetic Association (SNDA). Prior to Nu Skin, she was a nutritionist in a health food company, providing dietary consultation and product education services. Lee Thoong is particularly interested in public health and community nutrition. She is a firm believer of "prevention is better than cure", and is aspired to make a change in the community to live well and age gracefully.

JOEY KONG
PRODUCT TRAINER, PERSONAL CARE
NU SKIN MALAYSIA & BRUNEI

As a Personal Care Trainer of Nu Skin Malaysia and Brunei who holds certificate from a reputable International Association, Joey provides consultations to distributors and sales leaders who require assistance on personal care matters. With her passion in beauty and skin care, Joey has been actively involved in the industry for more than 5 years and her mission is to make others feel beautiful and confident by providing services that will help improve their appearance.

EVA MAK
PRODUCT TRAINER, PERSONAL CARE
NU SKIN MALAYSIA & BRUNEI

As a personal care Trainer for Nu Skin Malaysia and Brunei, Eva offers personal care consultation to distributors and sales leaders who require assistance. Eva brings with her more than seven years of experience from the beauty industry as a beauty consultant and a senior training executive. Eva loves interacting with people to share her knowledge of beauty and personal care to achieve her mission of empowering people to improve lives through enhanced self-confidence, interpersonal skills and appearance.
